

**From Rabbi Richard Hammerman
Executive Director**

I have been blessed with knowing and working closely with a number of wonderful Gabaim through my years in the rabbinate. Nat is unique!

Nat has a profound love for people- of every age, religion, and life style- and a deep love for Jewish tradition and its observance. Nat takes great pride in encouraging children and adults who are beginning to find their way in the Jewish World and in Jewish ritual.

Many enjoy sharing through Tzedakah. Nat sees Tzedakah both as a Mitzva and as opportunity for personal nachas and fulfillment.

What a privilege it is to join CAI in celebrating Nat and Bea and all they contribute to our lives as a congregation and as friends.

B'vracha,
Rabbi Richard Hammerman
