Greetings!

It is a pleasure to welcome you to the Hasten Hebrew Academy's 39th Annual HAI-Life Awards Dinner.

I commend Drs. Mark and Ora Pescovitz for your outstanding leadership and service to the Jewish and general community of Indianapolis and your exemplary citizenship. Your long-standing commitment to the Hasten Hebrew Academy has prepared many young Hoosiers for citizenship and successful careers.

I want to thank Karol Cook for her many years of service as first grade general studies teacher. I am sure your efforts and devotion to the students at the Academy have helped instill a love of learning in generations of our young citizens.

Congratulations to the students of the 8th grade graduating class and best wishes as you continue your education and embrace your dreams.

I hope this will be a memorable evening for everyone as you gather to recognize and celebrate the achievements of those being honored.

Sincerely,

Mitch Daniels
