Class of 2010
Hasten Hebrew Academy of Indianapolis
6602 Hoover Road
Indianapolis, IN 46260

Mazel Tov on your success of becoming the Graduating Class of 2010. You now are part of a long list of successful graduates. You have been fortunate to have the instruction of such wonderful teachers like Karol Cook, who is being recognized for her 18 years of teaching at HHA. You have received the benefit of community involvement from many including Drs. Mark and Ora Pescovitz, who are honored today for their dedication to the community and specifically to Hebrew Hasten Academy of Indianapolis.

We are proud of the strides that you have made both within the school and the community during your time at HHA and anticipate many more great things to come. You follow a long line of doctors, lawyers, accountants, therapists, teachers, rabbis, business owners, performers, and all who make a community complete. Remember your roots, the strong educational background filled with the understanding of t'kum olam. As the Pescovitz family is honored for their continual efforts to help with the success of the community and your school, may you learn from their example the drive to learn and achieve, the heart to help others and the desire to give back to the community. With Karol Cook may you remember the value of continuing to learn even after school is completed and through her example the joy achieved by teaching others.

Kol Hakvod on your achievement! We look forward to your future successes.

Kol Tuv,

Lee Borinstein
