Dear Hasten Hebrew Academy:

It gives me great pleasure to join with you in celebrating the 39th anniversary of the Hasten Hebrew Academy of Indianapolis. I want to congratulate your honorees this evening for all of their accomplishments.

First and foremost, I would like to congratulate the eight students receiving their Middle School diplomas. You have worked hard for this night. The lessons you have learned will serve you well throughout the rest of your educational career and beyond.

I also want to congratulate tonight's HAI-Life honorees, Drs. Mark and Ora Pescovitz who are long-time supporters of the Hasten Hebrew Academy. Mark is on the Board of Directors and Ora has previously been honored as the Hasten Hebrew Academy's Woman of Valor. They are generous contributors to and advocates of the school.

Finally, Karol Cook, the first grade general studies teacher is a warm and dedicated teacher who has a deep love for children and a strong dedication to the Hasten Hebrew Academy. She has taught at the Hasten Hebrew Academy for 14 years and has made a lasting impression on many students.

All of your efforts are the reason that the Hasten Hebrew Academy of Indianapolis has garnered a reputation for being on the forefront of day school education for 39 years. Congratulations to you all.

Sincerely,

Evan Bayh  
United States Senator
