Indianapolis, IN 46260

Shalom,

Congratulations to The Hasten Hebrew Academy of Indianapolis as you celebrate 39 years of providing an outstanding and nationally recognized educational experience for students, preschool through eighth grade. There is no better way to honor the past and preserve the future than the administration of an excellent education.

It is an additional pleasure to offer my congratulations to the HAI-Life honorees, Drs. Mark and Ora Pescovitz. Drs. Pescovitz are an outstanding couple whose lives have been dedicated to the cultivation and appreciation of the arts, sciences and most especially, the humanities--- particularly the humanity of man.

Robert Kennedy once said " "Few will have the greatness to bend history; but each of us can work to change a small portion of the events, and in the total of all these acts will be written the history of this generation..."

In their distinct and individual ways, Drs. Pescovitz lives will leave their mark on the history of this generation.

Their knowledge, faith, and generosity make them an asset not only to the Hasten Hebrew Academy but also our city and state. I am proud that the Hasten Hebrew Academy has chosen this most deserving couple as well as Ms. Karol Cook to honor at your celebration. Please know that I wish you a successful event and all the best.

Sincerely,

A handwritten signature in black ink, appearing to read "Jean D. Breaux".
