Hasten Hebrew Academy of Indianapolis
6002 Hoover Road
Indianapolis IN 46260

To the Hasten Hebrew Academy of Indianapolis:

The Hebrew word usually used to describe Jewish education is "chinuch". This word in its classical sense means to initiate, dedicate or consecrate. This is the Jewish attitude when one engages in chinuch. Jewish education not only teaches, but also initiates, dedicates and consecrates as it gives direction and purpose to a Jewish life.

May the Almighty bless the Hasten Hebrew Academy in becoming a medium for the sacred chinuch of our children.

Congratulations to the honorees of this year's annual dinner. May they be blessed with all that is good.

Sincerely, ^{אשר} ^{ישראל} ^{גטינגר}
