Dear Friends:

On behalf of the residents of Montgomery County, it is my great pleasure to extend warmest greetings to Bikur Cholim of Greater Washington on your annual brunch.

The organization and your honorees, Francesca Lunzer Kritz, and Judy and Jerry Frank, fulfill the mitzvah of “Building a Caring Community” by providing much-needed assistance to those with medical challenges.

The opening of the Bernard Creeger Bikur Cholim House is an extraordinary accomplishment which epitomizes dedicated and exemplary service to this growing population. The services of Bikur Cholim are needed now more than ever. Your work is of vital importance that continues to make a difference within our county.

I applaud your initiative and leadership, and offer my encouragement as you continue to serve our most vulnerable residents. Thank you for your continued services to our community

Best wishes for a successful event.

Sincerely,

Isiah Leggett  
County Executive
