

On behalf of the Women's League, congratulations to the 2019 YINR Annual Dinner honorees: Simone and Mark Semer and Michelle and Rafi Halpert.

Simone's contributions to Women's League are well-known, having served as co-President of the Women's League from 2007-2009. She was also the head of the Hospitality Committee and has also served on the various Kiddush Committees for the graduates and the first and second graders for their Chag HaSiddur and Chag HaChumush. Through Simone's leadership and guidance she has inspired so many women to be involved in the shul and truly make an impact to our community.

Michelle has been an active participant in many aspects of the shul and Women's League despite only moving to New Rochelle 5 years ago! She is well known for her acts of Hachnasat Orchim to both visitors to the community and new members, and as such, was chosen to head the Hospitality Committee. She has also worked on the YINR Dinner Journal and has helped organize the Mikvah Bake Sale for the last few years. Michelle's acts of chesed are an inspiration to all new members of the shul that you can get involved as soon as you join YINR and make a tremendous impact.

It is only with the help of dedicated volunteers like tonight's honorees and so many others, that Women's League is able to support our community to the level which we do. We hope all our members are inspired by our honorees' commitment to our community and become involved in Women's League and the shul. Thank you to both women, and their husbands, for having such a positive impact. Mazel Tov!

Anya Rackman Wiebke and Amy Tarlowe
